1) Open both links, then log in to the **Revenue Monster** portal using the details provided.

The screenshot shows the Revenue Monster Sign In page. At the top left is the Revenue Monster logo, consisting of the letters 'RM' in a bold, black font with a small blue star above the 'M', followed by the words 'REVENUE MONSTER' in a smaller, black, sans-serif font. Below the logo, the text 'Sign In' is displayed in a large, purple, sans-serif font. Underneath 'Sign In' is the text 'to Revenue Monster Portal' in a smaller, grey, sans-serif font. There are two input fields: the first is for the email address, containing 'y@gmail.com' with a small grey eye icon to its left; the second is for the password, containing seven dots and a small grey eye icon to its right. Below the password field is a link that says 'Forgot Password?' in a blue, sans-serif font. At the bottom left is a link that says 'Sign Up' in a blue, sans-serif font. At the bottom right is a purple button with the text 'Sign In' in white, sans-serif font.

2) Click on **'Store Management'** on the left sidebar.

## 25) Click QR Codes.

The screenshot shows the 'My Outlets' management interface. The left sidebar contains navigation options: Dashboard, Investor Dashboard, Sales Performance, Machine Utilization, Remote Activation, Utility Monitoring, Browsable Report, Others, Review Dashboard, and Loyalty Admin. The main content area is titled 'My Outlets' and includes a sub-header 'Manage your outlets, machines, and configurations'. Below this, there's a breadcrumb trail '< Back Bayu Sentul Laundry' and buttons for 'Start Trial' and 'Deactivate'. The outlet location is 'KL, KL' and its status is 'Active', with 'Outlet Activated On: 04/05/2026' and 'Available Machine: 0'. A navigation bar below the header has tabs for 'Outlet Info', 'Machines', 'Billing', 'QR Code', and 'Additional Info'. The 'QR Code' tab is highlighted with a red box and a red arrow. Below the tabs are two summary cards: 'Total Machines' with a value of 6 and 'Configured' with a value of 6. At the bottom, there's an 'Outlet Details' section with an 'Edit Outlet' button.

## 26) Click Download All.

The screenshot shows the QR code download interface. The left sidebar is the same as in the previous screenshot. The main content area displays a table of QR codes for three machines:

ID	Machine Name	QR Code	Action
GF-W1	Bayu - Washer 1		<a href="#">Download</a>
GF-W2	Bayu - Washer 2		<a href="#">Download</a>
GF-W3	Bayu - Washer 3		<a href="#">Download</a>

Below the table, there is a 'Download All' button highlighted with a red box and a red arrow. At the bottom, there are two sections: 'Drop And GO QR CODE - GF' with a QR code, and 'General QR Code - GF' with a QR code.
