

RHB Duitnow

RHB Duitnow Setup Guide

Login

1. Open URL laundro v2 admin : https://v2.thelaundro.com/admin_login
2. Click to RHB Duitnow management & Click at Add **RHB DuitNow QR Code**

4. Please select the required details paste into the box.

- Copy the **Machine ID** from the Laundro account (name) and paste it.

The screenshot shows a table titled 'Bill Acceptor' with 3 items and 1 configuration. The table has the following columns: Display Name, Machine ID, Brand, Status, Coin Rate, and Machine Weight. The data rows are as follows:

Display Name	Machine ID	Brand	Status	Coin Rate	Machine Weight
MAN-BA3	man-ba3	Bill Acceptor Single Pulse	Pending Configuration	-	-
MAN-BA1	man-ba1	Bill Acceptor UART ICT004	Configured	-	-
MAN-BA2	man-ba2	Bill Acceptor UART ICT004	Pending Configuration	-	-

- Update too the laundro (**RHB DATA**)

The screenshot displays a web application interface for laundry management. At the top, there is a teal header bar containing a search input field, a notification bell icon, and a user profile icon. Below the header, a navigation menu is visible with the following items: '& Account', 'Payment Gateway Config' (highlighted with a green badge and a '1' notification), 'Security & System', 'Node User', 'Staff List', and 'Role List'. A sub-menu is open under 'Payment Gateway Config', showing 'Configuration Data', 'Payment Gateways' (highlighted), and 'Token Configuration'. The main content area features a blue card with a credit card icon, the title 'Payment Gateway Management', the subtitle 'Add and configure payment gateways for your laundry business', and a blue button labeled '+ Add Payment Gateway'.

Choose a payment gateway from the list below to configure.

 Revenue Monster Malaysia	 Razer Merchant Services Malaysia	 Pegebank Malaysia
 eGHL Payment Gateway Southeast Asia	 AmpersandPay Regional	 Kiple Malaysia
 Scan2Pay Asia-Pacific	 HitPay Singapore	 2C2P Asia
